Hi, Howard -- I just heard again from Pamela Janifer. Change in plans. She will cover notifying Committee staff, and Region 8 will notify WY delegation. Pamela will provide talking points and timing later today (will probably be around 3:30 MDT).

Unless it should come from Shaun, I can prepare the notice to staffers, as has been our usual method. In addition, Shaun could call the Members (3).

Please let me know your thoughts.

Thanks,

Sandy

Subject: I talked with OCIR this morning

Importance: High

Hi, Howard – Just wanted to let you know that I had not heard back from my VM message to Laura Vaught yesterday, so I called Pamela Janifer in OCIR to confirm my participation (or not) in this afternoon's congressional notifications. Pamela will handle all cong notifications and will be the POC for any cong questions. I told her that I would be available, though, in case anything changes.

I believe Rich got pretty much that same direction from his HQ counterparts.

Pamela had asked if Region 8 had been invited for this afternoon. I wasn't aware that we were. Correct?

Thanks,

Sandy
